

This monthly series facilitates moving clinical documentation from satisfactory to superior with a focus on defending quality of care and supporting accurate reimbursement. Discussion will include assessment considerations, effective care planning in high-risk areas, reporting daily care and services, and overcoming common barriers. Extensive case studies and documentation examples will be included.

This webinar series aims to empower healthcare professionals in SNFs/NFs to provide the highest quality of care while maintaining the integrity and accuracy of their documentation.

Presented By:

Christine Twombly, RN-BC, RAC-MT, RAC-MTA, HCRM, CHC

Eleisha Wilkes, RN, GERO-BC, RAC-CTA, RAC-CT, DNS-CT
